

Change is good! New Staff—Old Staff—New Opportunities!

As always, we have lots of announcements as change is inevitable! We are thrilled to announce that Heidi O'Brien has accepted the position of Supervisor of the Adult Day Program and Volunteer Services. Heidi's office is in the volunteer services room now and she can be reached at ext 2240. Heidi will be working with our care partners in the community and local services to increase our membership over the next few months.

We are so proud of our own Krista. She has been accepted into the Registered Practical Nursing program at Mohawk!! Smart cookie! Krista will be with us still every Monday during her first term and we couldn't be any happier for her. Leanna is back to school as well and we thank her for putting school on hold for the past year to help us out. Leanna will still be here from time to time as a casual Therapeutic Recreationist.

Group C has a new TR lead—Marley will be joining us Friday, August 30th and will be replacing Heidi—welcome aboard. You have also met Alisha (group D) and Elaine, (Special Needs) two new program assistants that have come on board over the summer, welcome ladies. We are so blessed by all the staff we have working here at the Day Program. The fall and winter will be busy with ongoing training as well—back to school time!!

We have vacancies in the program. If you know of anyone that would be interested in a tour and learning more about what we have to offer please contact Heidi at ext: 2240. If any family/friends need information we have pamphlets available, just ask one of our staff to help you.
