## ADULT DAY PROGRAM

Winter  
2015

Wow..this year has gone by quickly, but we all have made wonderful memories and enjoyed the company of one another. We truly enjoyed the annual Christmas Party and seeing everyone look so sharp all dressed up along with their family members. As we approach the change in season, there are a few things for you to keep in mind...

- ◆ As you are already aware (from the letters sent out in November), membership dues are increasing effective January 2<sup>nd</sup>, 2016. The fees will now be \$20.00 for groups A, B, C and Special Needs per day per client including the meal. These increases are due to increasing programming costs (food and supplies) and reductions in funding. If you are unable to attend the program due to illness, hospitalizations, vacation, appointment, etc., we will now be charging \$15.00 to hold your spot in the program. We thank you in advance for your understanding and support of this increase as it has been numerous years since we have had an increase such as this.
- ◆ As winter (and of course the snow) is approaching us quickly, we ask that your loved one's personal belongings such as their jackets, hats, gloves, etc. are labelled with their name. This will assist the staff during this busy season to ensure personal belongings are sent with the correct person.
- ◆ As we enter the holiday season, we also enter the cold and flu season as well. If you are feeling unwell, please refrain from coming to the program as we want to encourage a healthy environment for everyone to come to. Please call your therapeutic recreationist to report any absences.
