### *Why do I need a scan card?*

The scan card is important to track our numbers for our records. As a non-profit organization we need to show our numbers when we are trying to get funding for new equipment! Every time you come in please scan in outside the office door. If you don't have a scan card yet please ask a staff member for yours!

The S.I.M Gym will be closed on  
Monday May 18th, 2015  
for Victoria Day!
