## ADULT DAY PROGRAM NEWSLETTER

## WINTER 2017

As we approach the end of the year, we are very thankful for all the friendship and laughter that we have shared with all of you. We continue to cherish all of these special moments and cannot wait to create more great memories in the year 2018. There are a few items that we want to share with you as we conclude a year and start another.

- As winter quickly approaches us, we ask that your loved one's personal belongings such as their jackets, hats, gloves, etc. are **labelled** with their name. This will assist the staff during this busy season to ensure personal belongings are sent with the correct person.
- **Christmas Closure Dates:** We will be closed on December 23<sup>rd</sup> and reopening on Tuesday, January 2<sup>nd</sup>, 2018.
- **Flu Season:** If you are feeling unwell, please refrain from coming to this community program as we want to encourage a healthy environment for everyone to come to. Please call your Therapeutic Recreationist to report any absences.

Program Group	Therapeutic Recreationist	Extension
A	Meghan	2397
B	Melissa	2219

### Prevent the Spread!

- Stay at home when you are sick
- Cover your mouth and nose with a tissue when you cough or sneeze
- Cough or sneeze into your upper sleeve, *not* your hand
- Put used tissues in the waste basket

**CHRISTMAS WISHES:** May your Christmas and everyday ahead sparkle with happiness and new surprises ([www.inspireleads.com](http://www.inspireleads.com)). Merry Christmas to you and your families from all of us at the St. Joseph's Adult Day Program.

Our **Membership Fee** will be increasing 3% effective January 1, 2018. The program fee will now be **\$21.22** for groups A, B, C and Special Needs per day per client including the meal. If you are unable to attend the program due to illness, hospitalizations, vacation, appointment, etc., we will now be charging **\$16.22** to hold your spot in the program. If you are going to be away from the program for an extended period, please let us know and we can temporarily discharge you from the program.
