

Summer

Newsletter, 2019

Can you believe it's already summer?!?! Where has the time gone? I'm crossing my fingers the sunshine is here to stay because we have quite an amazing summer planned for all of you!!

We are excited to let you know that our summer barbeques are back! The first BBQ will be on June 3rd followed by one on June 28th, July 2nd, July 11th, and July 21st. There are five BBQs in total: one for each day of the week.

To celebrate Senior's Month, we have a few special guests coming in to share about what they do, how we can access their services, and how they can support us in the community. We've booked a Senior Support Officer coming in on June 5th and we have an officer from the K-9 unit coming in with his dog on June 6th. We also have the Royal Canadian Mounted Police (RCMP) coming in with their horses on June 25th. It's always fun hearing from each of them so those presentations are ones you definitely don't want to miss!
