A – Auditorium

*Please refer to home
area calendars for more
opportunities to get
involved!*

Family members want to give loved ones the best, most compassionate care possible. Please consider joining the Family Council to advocate for changes and recommendations that will help better serve you and your family. Members meet monthly to support each other and discuss topics that are important to St. Joseph's Villa residents' quality of life. If you are interested in attending the next meeting is **November 18, 7-9 p.m. in the Villa Boardroom, Ground Floor.** If you have any questions, you can contact the Chair, Eda Cipolla at edacipolla@gmail.com.

Did you know...the Villa has a Nurse Practitioner?

The skills set and ability of the Nurse Practitioner is vast. She is on site and liaisons with the nursing team Monday-Friday and is available to see a number of residents. This is a great resource to use, in ways to prevent an unnecessary transfer to the Emergency Room. She can conduct assessments, blood work, wound care, and health teach. Please connect with a member of the nursing team for any more information.

Front Entrance

The front entrance waterproofing and project continues. We anticipate the work will be completed by mid-November. Thank you for your patience during this time.

Welcome

We are pleased to announce that Dr. Micheline Gagnon has joined our care team as a consultant at the Villa. Dr. Gagnon will be available each Wednesday afternoon to provide Geriatric assessments for Residents of the Villa through our Community Outreach Services at the request of their attending physician.

Welcome!

We are pleased to announce that Hayley Blanchard from Hear Right Canada will be on site to provide hearing instrument care and hearing testing through our Community Outreach Services office on the ground floor for residents, staff and community patrons. Hayley has her first clinic with us on November 14, 2019.

Hayley is a graduate of Grant MacEwan University in Manitoba as a hearing aid specialist and has worked since 2014 in the field.

Hayley will be available on site by booking an appointment through our clinic receptionist Maria at extension 2248 or by calling Hear Right Canada at her Upper James office 905-667-8866. We welcome Hayley to our care team.

Engagement Day!

St. Joseph's Villa is so excited to be holding our first ever Engagement Day! This event is open to all Residents and family members as an opportunity for Connecting, Conversing and Caring!

Several members of our leadership team will be here on Saturday, November 23 from 10:00am until 4:00pm in the Auditorium, and are eager to share information and obtain the perspective of our Residents and family members on endeavours, programs and services such as hand hygiene/infection control, our new menu, falls prevention, the admissions process, Ethics, the annual Family Council Christmas tree and how the St. Joseph's Villa Foundation supports our organization.

Topics will be confirmed closer to the date, and more information will be shared. If there are topics that are of particular interest to you that you would like to see at Engagement Day, please contact Jaimie Williams, at 905-627-9011 x2224, or email: j_williams@sjv.on.ca.

Refreshments will be served and there will even be door prizes!

Hope to see you there!

Get your shot....get the facts

Universal Influenza Immunization Program

1.What is the Ontario Universal Influenza Immunization Program (UIIP)?

Ontario's Universal Influenza Immunization Program (UIIP) offers influenza vaccine free of charge each year to all individuals six months of age and older who live, work or go to school in Ontario.

2.Where and how can Ontarians access publicly funded influenza vaccine?

The influenza vaccine is available at no cost to the public through primary care providers, public health units, pharmacies (for those 5 years of age and older), and in various other settings such as long-term care homes, workplaces, hospitals and community health centres. Vaccine product availability may vary by location. During the influenza season, Ontarians can contact their local public health unit if they require assistance locating influenza vaccine. A list of local public health units is available at:

www.health.gov.on.ca/en/common/system/services/phu/locations.aspx

Individuals may be required to provide proof that they live, work or attend school in Ontario to receive the vaccine. Many different identification (ID) documents are accepted to prove eligibility (e.g., health card, registered mail, pay stub, student card).

B. Influenza Burden

3.How many people typically become infected with influenza every year?

In the 2018/2019 influenza season, there were 48,818 laboratory-confirmed cases of influenza reported nationally to FluWatch, Canada's surveillance system that monitors the spread of influenza and influenza-like illness. It is important to note that there are many more people infected with influenza each year in Canada; most people with influenza do not seek health care and/or do not have a specimen taken, so are not included in the case counts for those with laboratory-confirmed influenza.

4.How many people are hospitalized or die of influenza every year?

Influenza and pneumonia are ranked among the top 10 leading causes of death among the Canadian population. According to Canada's National Advisory Committee on Immunization (NACI), it is estimated that approximately 12,200 influenza related hospitalizations and 3,500 deaths related to influenza occur on average in Canada each year. The actual numbers can vary from year to year depending on the severity of the influenza season.

Villa Residents , CCU Patients, Staff, Volunteers,
Day Program & Estate Residents Flu Vaccination Clinic
Schedule 2019/2020

Please see the schedule below for FLU SHOT vaccinations for **all mentioned above**. For any staffs that obtain their vaccinations elsewhere, they can give the proof of vaccination to either **Natalie Cameron ICP**, the RN doing the flu shots or placed in a **DROP BOX** at reception.

Friday, November 1

Time	Location		Nurse giving shots
0600-0900	JuravinskiWing Lobby, First Floor North Tower	STAFF & VOLUNTEERS And any outstanding residents in the tower	
0900-0915	Break		Melinda Stevens
0915-1200	CCU/5 th floor		
1200-1230	Lunch Break		
1230-1400	Juravinski Wing Tower		
1400 - 1500	Adult Day Program		
1500- 1730	Café Lobby		Alison Magi
1630 – 2230	Dinner Break		
1800 – 2230	CCU/5 th floor		

Saturday, November 2

Time	Location		Nurse giving shots
0600-0900	McArthur/South Tower	Any staff, volunteer, &	

0900 - 0915	Break	Estate Residents or outstanding residents	Alison Magi
0915 – 1130	McArthur Tower		
1100-1300	McArthur Tower		
1400 - 2200	Travelling where required based on need		Melinda Stevens

Sunday, November 3

Time	Location	Any staff, volunteer & Estate Residents or outstanding residents	Nurse giving shots
0800 – 1000	Juravinski / North Tower		
1000-1015	Break		Martina VanDerVeer
1015-1230	Juravinski Tower		
1230-1300	Lunch		
1300-1400	Juravinski Tower		
1430 – 2230	Travelling where required based on any outstanding need throughout the building		Melinda Stevens

If for some reason the nurse is not at the location as per the schedule, please give 5 – 10 minutes, as the nurse might just be running a little late coming from another location. If the nurse is still not at the appropriate location after 10 minutes, ask reception to locate her for you if you are wanting to receive a flu shot.

For Friday, Saturday & Sunday the nurses will be reviewing the master lists to see what units have outstanding residents needing their shots, therefore will be moving about the Villa a fair bit, but will try to stick to the schedule as much as they are able to.

Please ask reception to locate the flu shot nurse if needed.

ST. JOSEPH'S VILLA
FAMILY COUNCIL PRESENTS
**THE ANNUAL RESIDENT
CHRISTMAS GIVING TREE**

The Annual Resident Christmas Giving Tree will be placed at reception on November 12th, 2019. If you would like to donate a gift to one of our residents that have been identified in need of a special Christmas gift, please take a paper ornament & help spread Christmas cheer.

We ask that the gifts (unwrapped) be delivered to the reception desk no later than Tuesday, December 3rd 2019. These items will be labeled and wrapped by the members of Family Council. Gifts will be delivered on Christmas Eve!

Please return the original handmade paper ornament with the present so we know who the gift is for as it's coded for confidentiality.

We very much appreciate your participation in what has become a tradition here at St. Joseph's Villa.

HONOUR A VILLA STAFF MEMBER OR VOLUNTEER!

Do you know a staff member or volunteer whose support and commitment gives your family peace of mind?

Do something special to recognize their kind words, sense of humour, knowledge! Tell them how much they mean to YOU.

Consider making a gift to St. Joseph's Villa Foundation!

With your permission, we'll let them know that they've inspired YOU!

Make a gift that will help staff, volunteers and our entire care team keep on giving!
