**Just a
Friendly
Reminder**

Reminder

It is very important that all clothing and blankets be labelled for your loved ones. The laundry is sent to an outside facility and if it is not labelled correctly it may not come back to us. Even if the family is doing the laundry items must still be labelled as items could be accidentally sent out. Please ensure any items needing labelling are given to the Registered Nurse to be documented and sent for labelling. Thank you for your cooperation. If there are any questions or

concerns please do not hesitate to contact Wendy at ext. 2242.

Attention ALL Staff, Resident's and Families

Please be aware that in attempts to promote Safe Medication Administration Practices and Reduce/Prevent Medication Errors St. Joseph's Villa is promoting a QUIET/NO INTERRUPTION ZONE for our nurses during Medication Pass Times.

New STOP signs will be posted the week of December 9/2019 and will be visible on Medication Carts as reminders of this DO NOT DISTURB PERIOD. When a Nurse is completing a Medication Pass please respectfully refrain from interrupting the Registered Staff member on duty and allow them to Safely prepare their Medications.

Reduction in Medication Errors Promotes Resident Safety, let's all work together to promote this new initiative.

EMERGENCY SITUATIONS do not fall under the NO INTERRUPTION ZONE. If you have an EMERGENCY please notify the Registered Staff Immediately.

Thank-you,

St. Joseph's Villa

Nurse Management Team.
